### 1 Authentic Provence, Inc.

Authentic Provence features 4000 sq. ft. of this premier antique French limestone floor. It has been quarried in the Burgundy region of France for centuries and reclaimed by our experts from ancient buildings. Due to its extreme density it is suitable for any interior or exterior use, even in hard freeze climates. Page 175

18th century French wrought iron chandelier with knight figure detail. Page 23

A period Swedish Empire chandelier later electrified in it's interior. Perfect dimensions of 30" H x 22" D. Inside Front Cover
