COURTENEY COX'S PRIVATE PARADISE

GROUND CREW

Prince Louis Albert de Broglie, owner of the Paris institution Deyrolle, designed these stainless-steel tools as part of his Le Prince Jardinier line of garden equipment. The carved-wood handles on the rose clippers (\$174) and soil aerator and shovel (\$293/pair) evoke bamboo stalks. 661-805-9995; authenticprovence.com
