WHERE I SHOP

The London Silver Vaults (silvervaults london.com) are an endless series of subterranean corridors lined with the stuff: a great source for adding to my collection of 18th-century English pieces. —ANTONY TODD, DESIGNER

PRECIOUS METTLE

With beautifully detailed metalwork hand-forged by artisans in France, Ironware International keeps a time-honored tradition alive. The seductive, sculptural results take the best of old-world heritage and make it fabulously au courant.
